FIVE AMAZING FACTS

about the Writing Lives of
Great English Authors

Lewis

Carroll

The real name of Lewis Carroll
was...

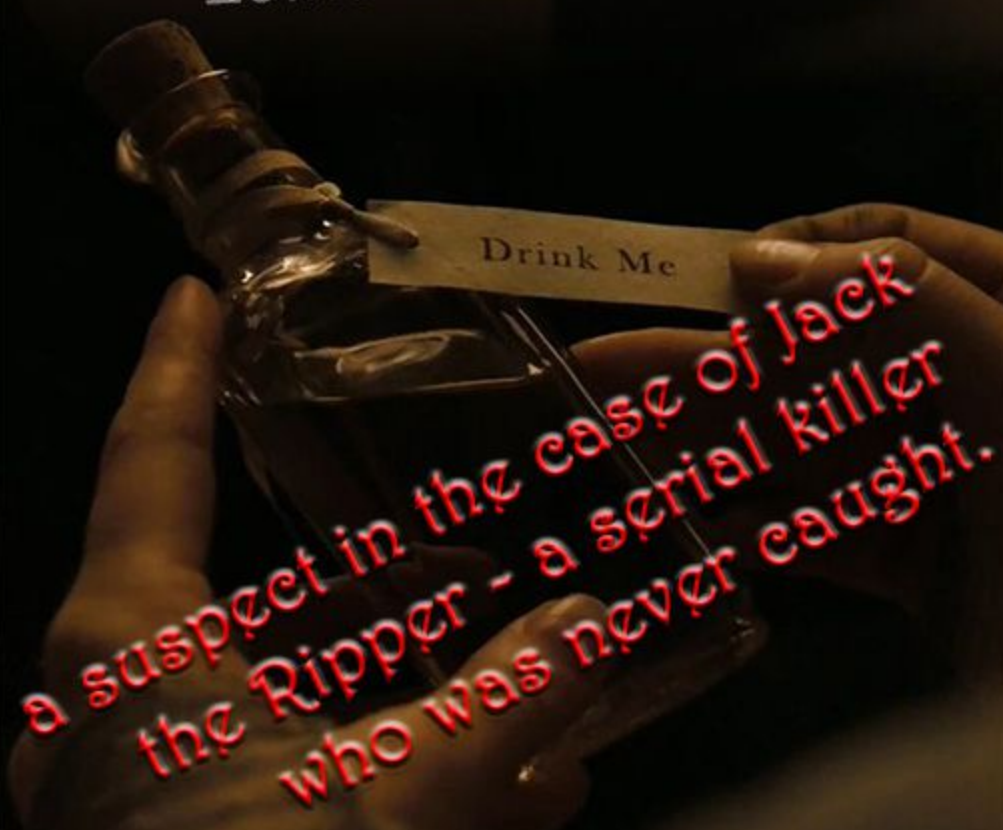

Charles Lutwidge
Dodgson.

A close-up shot of a hand holding a white, cube-shaped object. The words "Eat Me" are printed in black on the top face of the cube. The background is dark and out of focus.

Eat Me

Lewis Carroll was...

A close-up shot of a hand holding a small, clear glass bottle with a cork stopper. A white rectangular label is attached to the neck of the bottle with the words "Drink Me" written on it in black. The bottle is partially filled with a clear liquid. The background is dark.

Drink Me

**a suspect in the case of Jack
the Ripper - a serial killer
who was never caught.**

Lewis Carroll was...

born in the small parsonage at
Daresbury in Cheshire.
As you know, The Cheshire Cat
was fictional cat popularised in
Alice's Adventures in
Wonderland and known for its
distinctive mischievous grin.

Lewis Carroll was...

one of the first portrait
photographers of the
XIX century.

Carroll suffered
from
insomnia.

So he came up with mathematical
conundrums and solved them.
After that, we wrote the whole
book about his night
conundrums.
